THE COLLECTION AND HISTORY

Sparco and **Martini Racing** together again: the historic partnership that started in the 1980s World Rally Championship is reborn in the **Sparco** Heritage Collection. This includes a complete line of products that combine past and future.

"This collection combines legendary history with modern technology"

Miki Biasion

Martini Racing: a legendary livery

From Miki Biasion, the last and sole Italian to win the WRC in 1988 and 1989, to the Finnish Juha Kankkunen who is a 4-time world champion between 1986 and 1993. From the French Didier Auriol, Biasion's partner in 1989, to the Spanish Carlos Sainz who is a 2-time world champion in 1990 and 1992. And again, legends like the unforgettable world champion Colin McRae, Henri Toivonen, Markku Alén, Attilio Bettega, and many more.

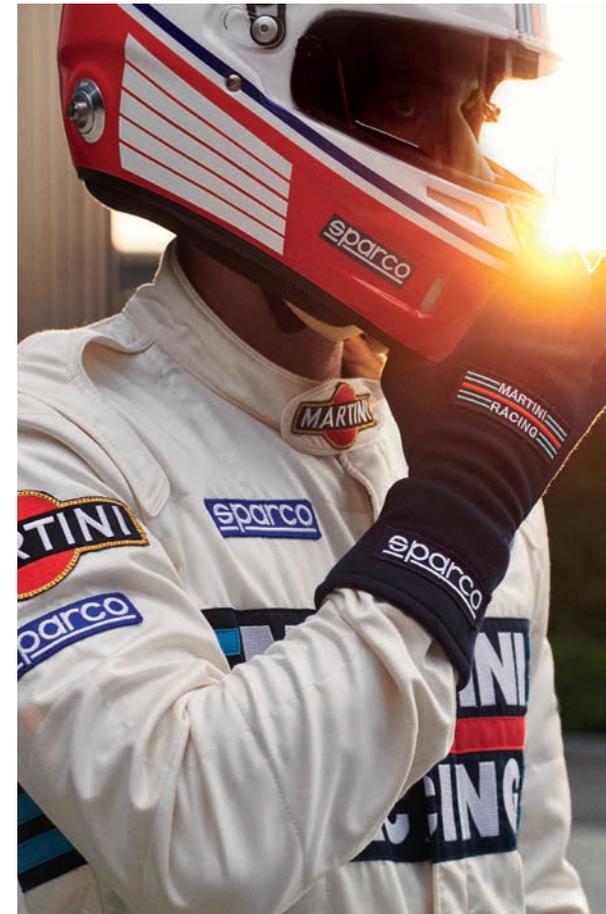

In the golden years of rally racing, **Sparco** and **Martini Racing** contributed to the triumphs of the best drivers in the world. Now, with this renewed partnership, fans of **Martini Racing** historical livery have access to new reproductions of the original **Sparco** products, updated with today's technologies.

RACING EQUIPMENT

From suits and helmets to seats, the winning partnership between **Sparco** and **Martini Racing** has made a comeback to the modern motoring scene. Combining a long-standing racing heritage with the most advanced technological and FIA approved standards of today.
